

LAKE PLACID DEBS HEADED TO THE WORLD SERIES !!!!

It is with great pleasure that we announce the 2017 Dixie Youth Softball State Champions in the Debs Division....The Lake Placid All Stars! With this success, our team will represent the state of Florida in the 2017 Dixie Youth Softball World Series being held in Alexandria, Louisiana beginning on July 28-August 4. This is an accomplishment that no other softball team in Lake Placid or Highlands County has ever achieved. To see a group of girls so excited is truly inspirational.

As you could imagine, this trip is going to be expensive with very little time to raise funds. To make this trip a reality for our girls, we are reaching out asking for donations to help with the team's expenses. Our team goal is to raise \$7,000 within 2 weeks. The estimated cost per player is \$500 for the entire week. This includes travel costs, hotel rooms and accommodations, and uniforms for the girls.

We will accept donations of any amount. Businesses wishing to sponsor/donate can:

1. Write a check made payable to "Lake Placid Debs".

Please mail your check & contact information to:
